days when bad weather prohibits outside recess.

"Our vision of the toolbox is to provide active options for many kids without requiring a lot of space," says Wellness Committee Chair Melissa McClung. "This may include things like JAM (just a minute of exercise) sessions, an active version of Simon Says, yoga, etc."

Ribbon of Giving

Please consider donating school supplies to our classroom teachers as part of the PTA Hospitality Committee's *Ribbon of Giving*, located on the bulletin board in main office. Select items to purchase from the ribbon, then give those items directly to the teacher that requested them. Thanks for supporting our wonderful Asbury teachers!
