To whom it may concern,

As a local neighborhood business of Asbury Elementary, we would like to invite you to join the Asbury Elementary School PTSO (Parent, Teacher, Student Organization).

Asbury's PTSO focuses on the education, health and safety of our children by donating money, resources and time to help make our school even better than it already is. As you know, with any public school, there are ongoing financial needs. By concentrating our fundraising efforts on a variety of school events we are able to support Asbury annually with additional paraprofessionals for our classrooms, improved technology, and filling gaps in budget shortfalls.

When businesses join the Asbury Elementary PTSO, they demonstrate to the Asbury community their understanding of the importance of our organization and each child's education within our community.

Your membership includes recognition in our monthly newsletters, on our website and on our Facebook page. Our recently established PTSO status guarantees that 100% of your \$50 Business Membership fee stays within our school. Enclosed you will find a membership form and self-addressed envelope.

The Asbury PTSO is looking forward to establishing a lasting relationship with you. For such a small amount, you can make a big difference.

Sincerely,

Laura Navarre
