

100% Asbury Business Sponsorship Opportunities

Show your company or organizations support of the Asbury neighborhood community and the nearly 400 local students at Asbury Elementary School. This support is noticed and appreciated by all in the community.

In 2016-17, the Asbury PTSO raised over 100k for the school. This money goes entirely back into the school to cover expenses including:

- Additional Teacher and Para salaries
- Counseling services
- Community Events/Parent Education
- Tablets and Technology
- Classroom supplies
- Office Funds
- Communication platform/App used to communicate w/parents
- Student Programs and Assemblies

Your support is critical and will be noticed by all in the community and gives your business an opportunity to stand out within the growing Asbury Community. I will work with you personally to ensure we maximize exposure and return for your company on this important tax-deductible investment.

Thanks for your consideration and support.
