

## Asbury Elementary

### CMAS Spring Assessment Calendar (Parents) - Grades 3-5

**Reminder:** This calendar was created to communicate to you when the assessments are occurring. We believe that communication will help us by ensuring your child gets plenty of sleep and a good breakfast everyday, but especially the day of assessment. If there are doctor appointments or other appointments that need to be made, we hope this calendar will help you to rearrange appointments on non-assessment days. Please note that the primary and intermediate grades will switch their specials throughout testing. A celebration for attendance and behavior throughout the testing window will result in a fun experience at School on Monday, May 6th.

**Restrictions:** Please also note the days in which we cannot allow volunteers on certain floors of our building during certain times. This is to adhere to the ethics and other policies set forth by DPS and the State of Colorado to maintain a secure testing environment.

**Attendance:** We also want to communicate that all students should be to school *on-time, all day and everyday*, regardless of whether assessments are occurring or not. Important teaching and learning happens in-between testing, so it is imperative that students are here. Our expectations remain and we expect parents to continue to plan vacations around the DPS Calendar.

**Make-ups:** Students do best when they are in their classroom environment for testing. In the event that your child has to miss school, they will have to make-up the test another time and will be pulled during their instructional time to do so. In addition, due to teachers needing to teach during all non-testing days, our paraprofessionals are used to give make-ups, which pulls them from the classrooms. To prevent disruption to your child's day and other students' days, please make sure that your child is in school everyday and please limit their absences to only when they are sick.

#### **the Date for the CMAS Parent Party:**

We would like to invite you to our Parent CMAS Night at Asbury on Thursday, March 14 from 6-7pm! As a 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> grade teacher, I want to give you an idea of what CMAS is like for your child and have your kiddo walk you through how the test works and the strategies they have in place to help them. This will be a great opportunity to learn about CMAS and what we use the data for, what the test itself entails and also a chance for you to see what it is your child will be experiencing in April while taking the test. So save the date and we hope to see you at Asbury that night starting in the auditorium! Look for more information to be sent home in March.
