

Club Amigos

Club Amigos, Colorado's Premier Spanish Enrichment Program, is pleased to offer classes at Asbury Elementary. The program is open to students in grades K through 5th and spots fill up on a first come, first served basis.

The program runs all year, separated into four 8-week sessions, payable per session or for the entire year. Each session covers a different topic, starting with vocabulary, then progressing to phrases and sentences. The goal is to introduce your children to Spanish and have them retain what they learn.

The program's lessons and games are fun and engaging. Classes are taught by Señorita S, a certified Spanish teacher, musician and published author. Her book/CD is also available for purchase, either on its own or as a supplement to the classes. See below for purchasing options.
