PARCC testing begins right after spring break for 3rd -5th grade. Please make sure that your children are here on time and for the entire day. Join us on March 22nd at 6:00pm for further information on PARCC testing.

Please remember that any time you enter the building and are planning on going further than the main office, you **must** sign in and get a visitor's badge, and you must sign out when you leave. This includes the mornings if you are planning on walking your children to class.

We have several events planned for the next few months, please check the calendar closely to see opportunities for your family to engage at Asbury. We will address the Early Literacy initiative in DPS, I would like to share my ideas and vision for Asbury, we will share food and stories at Dish- A - Story, you will get to see the state testing through your students eyes at our PARCC night. SO many great things to be a part of , please joins us for one or all!

Time to Shine:

Congratulations to Asbury's two Destination Imagination teams. Our fifth grade team took first place and our third Grade team placed second. They will now compete at the state level in April.

Office Reminders:

Please make sure to call the attendance line at 720-424-9797 if your student will be absent or late. This will go to a voicemail, and these voicemails are checked in the morning everyday.

Art Fun after school enrichment needs more people to register. She has opened this up to all grades.

Teachers have set instruction time during the day and are not available for discussion with parents during those times. They spend every moment of class time teaching and cannot make room for outside discussion. Please respect the teachers' and students' class time and call or email teachers outside of class hours.

CHECK THE LOST AND FOUND - IT WILL ALL BE DONATED ON MARCH 23.
