RAISING RESILIENT GIRLS

STEELE ELEMENTARY SCHOOL - DENVER, CO

6:30–8:00 PM | WEDNESDAY, NOVEMBER 20, 2019

Eager to learn about the pressures that are unique to being a girl today and how you can help girls navigate these challenges with confidence?

We invite you to join Girls Leadership for an acclaimed parent education talk “Raising Resilient Girls.” As written up in Parent Magazine, the talk focuses on practical, actionable advice that you can use at home to help support the young girl or girls in your life. The presentation covers the development of girl dynamics from pre-school through high school.

Speaker – Kim O’Malley

“I LEARNED SO MUCH AT THE PRESENTATION AND THOUGHT IT WAS ONE OF THE BEST PRESENTERS I’VE EVER ENCOUNTERED. WE ARE ALL SO TIRED BY THE END OF THE DAY AND SHE KEPT US ENGAGED AND CHUCKLING.”
– BETH

Since 1999, the national non-profit organization, Girls Leadership, has awakened thousands of girls to a new, bold definition of leadership. Co-founded by bestselling author, Rachel Simmons, Girls Leadership believes that leadership is a way of life, which begins in girlhood. We define leadership as a girl’s ability to know how she feels, say what she needs, and respond courageously to her mistakes. Girls graduate from our programs more emotionally intelligent, resilient, and confident.
