SKATE START

SKATESTART SKATEBOARDING

GRADES K-5

The second Skatestart session is all about continuing to roll into the new year. We'll be making new skateboards, riding obstacles, having more fun and games, learning new tricks to learn much more. Remember to have appropriate shoes for each class. We also provide our patented skateboards and helmets with the class. This session will also have a day devoted to snowboarding 101. Sign up and lets get rolling!
