

SKATEBOARD AFTER SCHOOL WITH SKATESTARTIII

The THIRD Skatestart session is all about progression and adding more confidence, learning tricks, & making new friends. We'll introduce more obstacles and do more team building. Our final class will be one to never forget where kids will be showcasing their skills to parents & peers. Remember to have appropriate shoes for each class. We as always provide our patented skateboards and helmets with the class along with snacks and drinks on select days. We'll have indoor activities on bad weather days. Lets get rolling!!!
