 - Rosedale Community Night - 2/13 6-8 @ South
 - Meeting with Sonya from McKinley Thatcher at 5:50 to walk in together to the meeting
 - Alicia is going to speak at the meeting - she would prefer not having it be an elementary school; it is her number one job to advocate for Asbury
 - 1. We don't qualify for small school funding; we also don't get tiered money; if they were to open up Rosedale
 - 2. It could take from our enrollment and the things that we are trying to sustain the positions that we have
 - 3. FRL numbers would get cut in half (currently our FRL and ELA numbers are going up - have worked to build this
 - Options:
 - Neighborhood School
 - C3 put there - C3 is opposed to that
 - ECE there
 - Catholic HS (6 million dollar offer)
- Budget Update
 - Budget assistance ask: 24,000K - waiting to find out on 2/6

- School-wide survey results:

- Next steps:
 - RIBs - MTSS position, second secretary support - 3 paras in the consideration group (skill-based, training, certification, etc.) - personnel committee will look through this to vet positions
 - If we get budget assistance - RIB one para
 - If we don't get budget assistance - RIB two paras
 - Our budget is very tight - we need to maintain what we have over time without having to ask for more from PTSO
 - 3% deficit by the district
- Open positions:
 - Kinder - Nicki Degucz is leaving and moving to Washington State
 - 3rd (1 year) - Hannah Robbertz is moving to Connecticut
 - Secretary - Terri is retiring at the end of the year
 - Positions opened up internally first. Alicia is already actively looking. Looks at staff demographics and student demographics to look for candidates - vetting for PBL and culturally responsive work and biases.
